

MERGER ANNOUNCEMENT

We are excited to announce the merger of
Pro-Line Fittings and PSI Pipeline Supply International Inc.

The New company will now offer you experienced technical support on a very broad range of Technology for the Water and Wastewater Industry.

The Pro-Line, PSI package offers the full Uni-Flange Restraint systems line, Ford Meter Box Pipe Products and Standon Pipe Supports to complement Pro-Line Fittings full line of PVC Pipe Fittings and Custom Fabrication.

In addition, the complete product lines of Canada Pipeline Accessories Stainless Steel Saddles , and Repair Clamps , along with Crispin Air Valves, Rehau Pex Pipe , and Advance “APS” Casing Spacers and Isolations Kits are all part of the family .

Effective March 1st, 2016, PSI and Pro-Line will consolidate their businesses at the Pro-Line Fittings facility in Surrey, BC.

Murray McLeod, Peter Turgoose, and Kelly Watson will be leading the technical sales team for the merged companys.

All contact information for Pro-Line and PSI will remain the same, and there will be no personnel changes. Please do not hesitate to contact any of us with your questions or concerns.

We look forward to continuing the relationships that we have built with you over the years, and will do everything possible to make the transition seamless.

Sincerely,

A handwritten signature in black ink, appearing to read 'RWatts'.

Ron Watts
President
Pro-Line Fittings, Inc.

Sincerely,

A handwritten signature in black ink, appearing to read 'Murray McLeod'.
