

Pro-Line Fittings Inc. Acquires Canada Pipeline Accessories (1986) Ltd.

Effective August 1st, 2016, all of CANPAC's business units and operations will be acquired by Pro-Line Fittings Inc. CANPAC's 30 year history of providing great customer service and quality products will unite naturally with Pro-Line's equally valued commitment to excellence.

All operations for both companies will be conducted from Pro-Line Fittings Inc. Located at 12487 – 82nd Avenue, Surrey, BC. For our valued customers virtually nothing will change, all phone and fax numbers remain the same. All the people you are used to dealing with will remain the same. The one change that you will need to note is that effective August 1st, all PO's will need to be issued to Pro-Line Fittings and you will be invoiced by Pro-Line Fittings.

Pro-Line will maintain the CANPAC brand of SC Series Saddles and CR Series Repair Clamps. All of CANPAC's employees will be joining the Pro-Line team.

Pro-Line's extensive line sheet will now expand to include:

- PRO-LINE Sewer Products
- FORD UNIFLANGE Restraints and Pipe Products
- CANPAC SC Series Saddles and CR Series Repair Clamps
- ADVANCE PRODUCTS and SYSTEMS Casing Spacers and INNERLYNX
- REHAU MUNICIPEX
- PETROWRAP Anti-Corrosion Tape
- CRISPIN Air Release Valves

Bundled shipments will make prepaid freight levels easily attainable, and our knowledgeable service team will be able to address the majority of your waterworks inquiries.

Please do not hesitate to contact any of us with your questions or concerns.

We look forward to continuing the relationships that we have built with you over the years, and will do everything possible to make the transition seamless.

Ron Watts
President
Pro-Line Fittings, Inc.
